

LAUNCH LIVE

PURPOSE

While Launch's flexible scheduling opportunities and asynchronous courses work great for many virtual learners, there are still students who prefer live instruction. Launch Live courses offer students real-time lessons three times a week.

AUDIENCE

Launch Live courses are available in core content areas for grades 6–12. All K-5 classes have full-time live instruction.

AVAILABILITY

Class sizes are limited so that Launch Live teachers are able to best serve students. Due to limited seats, waiting lists may occur. Students who are waiting for a Launch Live class will be enrolled in the asynchronous version to allow for easy transfer should a seat become available.

PARTICIPATION REQUIREMENTS

All learners must attend live lessons at least 2-3 times per week. Students who are enrolled in live courses but do not regularly attend, may be dropped from the course.

LEARN MORE & ENROLL

To learn more about Launch Live courses, email partners@fueledbylaunch.com or call 417-523-0417. Launch Liaisons may enroll students in live courses via Launchpad. It is important to be sure to select the "live" version of the course during the enrollment process.
