

ALTERNATIVE PROGRAMMING

Launch's alternative programming provides secondary students with a variety of non-traditional learning opportunities to help them be successful. With these options, students are able to retake classes they have previously failed or earn required credits while working at their own pace.

Programs Available

Credit Recovery

Launch offers a full suite of credit recovery courses in which students can enroll and work at their own pace. All Launch Credit Recovery courses are MSHSAA approved and have flexible start dates, and priority standards are assessed at 80% mastery. Launch's Credit Recovery courses are designed for students who have previously failed the course.
